**At the KLEBAN'S FOR ETHANOLOGY**  
**-The Takeaway-**

Four lovely Cocktails, followed by a Grape-flower liqueur called June (not related...)

- 1) **The first Cocktail is called "Liquids poured over a melon ball". It consists of Melon Liqueur, Pineapple Juice, Light Rum, and Lime Juice served over a Galia Melon Ball.**
  
- 2) **The "Rum-Ginger Sling" (sans the Pineapple Heart, alas...or is that Good News?) It consists of Imported Ginger Liqueur from England, Light Rum, TJ's Orange/Peach/Mango Juice, and Lemon Juice served over sliced Mango.**
  
- 3) **"Allan's Limoncello Cape Cod-er". It consists of, you guessed it, Allan's home-made Limoncello, but also has unsweetened Cranberry Juice, TJ's Orange/Peach/Mango Juice, and Light Rum, served over Mint and Blackberries.**
  
- 4) **Our last Cocktail is another Ginger creation called, "Together with Ginger Grant and Mary Ann Summers". It consists of TJ's Ginger Beer, Light Rum, Dash of Gin, Pineapple Juice, and Lime Juice served over Raspberries.**
